School Yellowfin, Albacore and Bluefin Tuna

Fishing for these school tuna usually happens in mid summer when the warm water Eddies of the Gulf Stream are pushed close to the back shores of Nantucket and Martha's Vineyard Islands. When happens we will troll high speed bars and small jets on Penn International 50#s. Reel Attitude will deploy anywhere from 6-8 rods to attract to either use our Scopinach fighting chair or try stand up fishing travels will usually take us from 30-50 miles offshore. Another Great opportunity to experience the thrill of offshore fishing.
